

# IIBI Summit Meeting

A meeting to discuss equipment and process recommendations for the Iowa Institute for Biomedical Imaging and Iowa Institute for Biomedical Discovery will be held in the Urmila Sahai Seminar Room, 2117 MERF, on Wednesday, November 19, 2008, from 5 – 6:30 p.m.

## AGENDA

- |  |  |            |
|--|--|------------|
| <b>I. INTRODUCTION</b>                             |  |            |
| Geoffrey McLennan, MD, PhD                         |  | 5 minutes  |
| Director, Iowa Institute for Biomedical Imaging.   |  |            |
| <b>II. HUMAN/LARGE ANIMAL IMAGING SUBGROUP</b>     |  |            |
| Edwin van Beek, MD, PhD                            |  | 10 minutes |
| Q&A  |  | 10 minutes |
| <b>III. VISUALIZATION SUBGROUP</b>                 |  |            |
| Reinhard Beichel, PhD                              |  | 5 minutes  |
| Q&A  |  | 10 minutes |
| <b>IV. CLINICAL TRIALS SUBGROUP</b>                |  |            |
| Kimberly Sprenger, RN                              |  | 5 minutes  |
| Q&A  |  | 10 minutes |
| <b>V. DISCUSSION OF IIBD DESIGN DETAILS</b>        |  |            |
| Geoffrey McLennan, MD, PhD                         |  | 25 minutes |
| Milan Sonka, PhD                                   |  |            |
| Co-Director, Iowa Institute for Biomedical Imaging |  |            |
| <b>VI. CONCLUSION</b>                              |  |            |
| Geoffrey McLennan, MD, PhD                         |  | 5 minutes  |
